## WORKFORCE SOLUTIONS

### Contract & Contract-to-Hire

Flexible contract staffing for time-sensitive projects across diverse sectors, including IT, administrative, accounting, and financial roles. Active sourcing in both densely populated and remote locations, with client-friendly terms for converting contingent labor into permanent placements.

### Executive Search

Strategic placement of hard-to-fill positions across diverse roles, including senior technical resources, executives running \$500M portfolios, and C-level talent across the United States. Competitive pricing and guaranteed retention models focused on long-term success.

### Direct Hire & Permanent Placement

Experienced recruiters and talent acquisition professionals delivering a strategic approach to placing in-demand and hard-to-fill roles across diverse functions, including technical, professional, and revenue-facing positions. Backed by retention guarantees focused on long-term fit.

### Recruiting Process Outsourcing (RPO)

Scalable extension of client talent acquisition teams that enhances efficiency without increasing internal headcount. Comprehensive lifecycle recruiting support at a fraction of the cost of a full-time TA specialist.
